

# HUTS

**Solutions for different purposes  
at a reasonable price**

**FUTURE  
RUNDBUEHALLER**

# MOBILE HUTS

## Low price

Future Rundbuehaller's mobile huts are the most cost-effective option for huts that can be moved as needed.

A standard hut can be used for a wide range of purposes, such as a garage, calf hut, litter box for livestock, horses, sheep, etc.

## High quality

Huts are solidly constructed with round arches on a core frame, covered in steel plates, with a closed gable and lifting boom, allowing the hut to be lifted easily by a common front loader.

**Weight:** 1.000 kg

Prefabricated as a building kit, arriving completed with screws and bolts.

Is suitable for a variety of applications, including storage/warehouses, stables for horses, etc.

The hut can be extended in section of 1.5 meters, depending on the needs of the customer.

A variety of interior finishes are available, including wood, light windows, ports, and portholes, as well as ventilation.

## The standard hut

**W:** 5 m x **L:** 6 m x **H:** 3.15 m  
**Colour:** Green - RAL 6009

Huts can be ordered in other colors for an additional fee.

Huts must be protected from storms.

# CALF HUTS

## Small calf hut

**W:** 2.8m x **L:** 4.20m x **H:** 2.10m  
**Weight:** 525 kg

Partially closed gable, waterproof wooden cladding, forecourt with door.

Suitable for approximately 5 pcs. calves of small size.

## Large calf hut

**W:** 5 m x **L:** 6,75 m x **H:** 3,15 m  
**Weight:** 1.200 kg

Closed gable, internal waterproof wooden cladding, forecourt with a gate and overhang of 75 cm.

Suitable for approximately 12 pcs. calves of small size.

## Moving hut

Huts can be equipped with additional accessories, such as troughs, automatic feeders, etc.

## HUTS FOR SMALL ANIMALS

**W:** 2.85m x **L:** 4.50m x 1.40m/2.10m

**Weight:** 400-600 kg

The gable is partially closed.

To facilitate transportation, the hut can be provided with wheels or extending forks.

## ELEVATED HUTS

**W:** 5m x **L:** Optional x **H:** 3.65m

The standard hut can be raised by 0.5 m and is supplied with port/porthole.

Can be used, among other things, for garages, transport storage and ect.
